

QUANTUM SERIES

Making the most of being the best! Waddell's stunning line of contemporary cases, the Quantum Series, allows you to make a striking yet exquisite statement with your accomplishments. Quantum Series cases feature furniture-grade laminate bases and tops in your choice of Cherry, Brushed Silver, and Elm finish. Curved tempered glass doors provide an elegant look to each case. The black textured backing is designed to reduce glare and draw attention to your cherished achievements inside. Each case is carefully crafted to the exact standards that have been the hallmark of Waddell products for more than a century.
